

## 2009 Master Contractor Certificate

Firestone Building Products Europe hereby confirms that the company

**Wiehag GmbH**  
**located at Linzer Strasse 24**  
**4950 Altheim, Austria**

based on its achievements during the period **2007-2008**, has been awarded the status of **Firestone Master Contractor 2009**.

Firestone's European Master Contractor Award is a distinction earned by a select group of Firestone Building Products Europe Licensed Roofing Contractors who have demonstrated Quality Workmanship in the installation of numerous Firestone Building Products Europe Roofing Systems, during the above-mentioned period.

A handwritten signature in black ink, consisting of a large, stylized initial followed by a series of vertical strokes, all written over a horizontal line.
